Visit "[Face To Face](#)" on MotoLyrics.com

You can't stop fuckin' with my head
Stop fuckin' with my head

Don't tell me now with a smile on your face
That you're lost
Down and out
When there was nothin' left in me

You can't stop fuckin' with my head
Stop fuckin' with my head
My silence you break
The smile that you fake
(You fake)

There's not one thing that you can say to make it right
Unless you say, "I'm leavin'"
And if you're not
Then please tell me why, please tell me why, you can't

Save face
Say it to my face

Can I take all the filth in your head
All the words that you said
(That you said)
And throw it away
(Throw it out)

You can't stop fuckin' with my head
Stop fuckin' with my head
My silence you break
The smile that you take away

There's not one thing that you can say to make it right
Unless you say, "I'm leavin'"
And if you're not
Then please tell me why, please tell me why

There's not one thing that you can say to make it right
Unless you say, "I'm leavin'"
And if you're not
Then please tell me why, please tell me why you can't,

say

That shit you're talkin' don't mean nothin' to me
anymore

Limp dick, you fuck stick, let's settle the score
Run and hide you know I'll find you anywhere
Motherfucker, two faced prick with hell to pay

What's real is real, it's time to step up to the plate again
Swing batter-batter, swing batter-batter, swing
What's real is real, it's time to step up to the plate again
Swing batter-batter

Fucked me for the last time
Just take your swing
C'mon, you shit fucker now, swing
Just take your swing

There's not one thing that you can say to make it right
Unless you say, "I'm leavin'"
And if you're not
Then please tell me why, please tell me why

There's not one thing that you can say to make it right
Unless you say, "I'm leavin'"
And if you're not
Then please tell me why, please tell me why you can't

Swing
Just take your swing
Fuck you

Just take your swing
You can't stop fuckin' with my head
Stop fuckin' with my head
