Bleeding soul, I feel I'm dying
I persist, I persist
I think I'm hiding
I've lost my soul

I feel so

Are you ashamed of what you've become?
You call my name
You call my name, I try to run
I've lost my soul, no happiness

I feel so

What did you say?
(What did you say?)
I don't understand
Why I feel this way
(Why do I feel so)

Bleeding soul, I feel I'm dying
I persist, I persist
I think I'm hiding
I've lost my soul, no happiness

I feel so

What did you say?
(What did you say?)
I don't understand
Why I feel this way

I feel so

What did you say?
(What did you say?)
I don't understand
Why I feel this way
(Why do I feel so)

I've lost my

What did you say?
(What did you say?)
I don't understand
Why I feel this way

What did you say?
(What did you say?)
I don't understand
Why I feel this way
