You look for love  
Through the eyes of strangers  
Pitiful you go away  
I think it's time to reconsider  
In suspense you stay

I think my mind is slippin'  
Know I'm trippin' feels like I am  
Losing myself

I wish I held your life from dreaming  
(soul - I wish I had life)  
I wish I held your life from dreaming  
(soul - I wish I had life)

In your mind  
You're my puppet  
I hope the strings  
Give way in confused  
Depths of reality  
I wonder if you'll stay  
I think my mind is slippin'  
Know I'm trippin' feels like I am

Losing myself  
I wish I held your life from dreaming  
(soul - I wish I had life)  
I wish I held your life from dreaming  
(soul - I wish I had life)

I own your dreams  
In time, you'll see

I think my mind is slippin'  
Know I'm trippin' feels like I am  
Losing myself

I wish I held your life from  
dreaming (soul I wish I had life)  
I wish I held your life from  
dreaming (soul I wish I had life)  
I wish I held your life from dreaming

God damn I wish - I'm dreaming
