### "Heart In Your Hands"

Smother the feelin inside  
Never washes away all the thoughts that you can't deny  
Mental sufferin  
Except for the past you have no one to blame  
We're chippin away at what we should be  
But its killin me

Smile when you look at  
Showin me what you think I want to see  
I dream when the time will be  
Where you will show me your insanity  
Til then I'll simply just wait

Close to me  
You come close to me  
Strangling me with your eyes  
To help you release all the fear that you have inside  
From all of the abuses  
Part of my seed is  
From my heart in your hands  
Tearin away all that once was me  
Always killin me  
Tear away

Smile when you look at  
Showin me what you think I want to see  
I dream when the time will be  
Where you will show me your insanity  
Til then I'll simply just wait

I won't fall  
When the ground breaks I won't see  
When the light fades, I won't die  
When I'm stripped of desire  
I will stay with you

Smile when you look at  
Showin me what you think I want to see  
I dream when the time will be  
Where you will show me your insanity

From all the abuses  
Til then I'll simply just wait
