I hurt myself today,
to see if i still feel,
I focus on the pain,
the only thing thats real,

The needle tears a hole,
the old familiar sting,
try to kill it all away,
but I remember everything,

(Chorus)
What have I become,
my sweetest friend,
Everyone i know,
goes away in the end,

and you could have it all,
my empire of dirt,
I will let you down,
I will make you hurt,

I wear this crown of thorns,
upon my liars chair,
full of broken thoughts,
I cannot repair,

beneath the stains of time,
the feelings dissappear,
I am someone else,
I am still right here,

What have I become,
my sweetest friend,
Everyone I know,
goes away in the end,

and you could have it all,
my empire of dirt,
I will let you down,
I will make you hurt,

if I could start again,

a million miles away,
I will keep myself,
I would find a way,
