## "Lucky One"

Stand up to me  
And say  
You like to be afraid  
Can't understand why you won't  
Let me  
Stick out my neck and let my  
Conscience be free  
It's OK  
Just call out my name

(JUST SIMPLY LET ME HELP YOU)

I won't  
Let you walk alone  
Do it all  
I'll help you be the foot that stops you  
So you can  
Always  
Know you have a chance to be  
the Lucky One  
With someone to believe in

Give me a chance and pray  
You fight another day  
Spend all your time takin all the blame  
(TAKE A LOOK AROUND)  
It's just you and me  
Who's to say  
It's never too late  
(WHY WON'T YOU)  
Call my name  
Watch me in the crowd  
(MAYBE THEN YOU'LL UNDERSTAND ME)

I won't  
Let you walk alone  
Do it all  
I'll help you be the foot that stops you  
So you can  
Always

Know you have a chance to be  
the Lucky One  
With someone to believe in

(BELIEVE)  
Watch me  
Watch me  
(HIT THE GROUND)

I won't  
Let you walk alone  
Do it all  
I'll help you be the foot that stops you  
So you can  
Always  
Know you have a chance to be  
the Lucky One  
With someone to believe in
