Beneath the water..
That's fallen from my eyes..
Lays a soul I left behind.
The edge of sorrow,
was reached, but now I'm fine.
I feel the hole I had inside.
I pray it doesn't scream my name.
So, I light a flame, and let it breathe..
The air, that kills the shame.

I'm up..
I'm down..
Like a rollercoaster racing through my life,
I've.. erased the past again.

Brisky morning..
I feel like I'm alive.
I can't believe I made it through, this time.
The edge of sorrow,
I lived in for some time.. (Lived in for some time.)
has left the hole I have inside.
The burden is, I drowned my hate..
Was the last thing I ever felt, or thought I could escape.

I'm up..
I'm down..
Like a rollercoaster racing through my life,
I've.. erased the past again.

I'm up..
I'm down..
Like a rollercoaster racing through my life,
I've.. erased the past again.

You let me heal, then broke me down.
The difference is, this time around..
I will not let you see me drown.

I'm up..
I'm down..
Like a rollercoaster racing through my life,

I've.. erased the past again.

I'm up..

I'm down..

Like a rollercoaster racing through my life,

I've.. erased the past again.

Erased the past again.

Erased the past again.

Beneath the water..

That's fallen from my eyes..
