I for one will say
I haven't seen it all I know.
A second chance for me was
long ago so change is still.
To think about the world I took
that brought me here (WHO AM I) suppose to be

I breathe.
I bleed.
I'm here to show you all my mistake.
(ITS RIGHT HERE BESIDE YOU)

Lie next to me
and you'll see I'm the scapegoat
I'm here to tell you that
this ride's not for free.
Look at me I'm the scapegoat
What will you do about it?

Find another way
to look at life and understand that

(I CANT STOP) what's suppose to be
but I can show you what it will take
(IF YOU WOULD SHUT THE F*!K UP AND LISTEN)

Lie next to me
and you'll see I'm the scapegoat
Im here to tell you that
this ride's not for free.
Look at me I'm the scapegoat
What will you do about it? (LIE)

(SCAPEGOAT)

Lie next to me
and you'll see I'm the scapegoat
Im here to tell you that
this ride's not for free.
Look at me I'm the scapegoat
What will you do about it?.
