Voices call, they call out my name
(My name, my name)

They say I'm different
Well I'm not the same
(The same)
You say you want

To be like me
(Like me, like me)
Well boy let me tell you
You didn't know what I've seen

They say the devil
Lives in my soul
(My soul, my soul)
I promise not to let him
Take control

I'm minding my own business
I ain't doing nothing wrong
I ain't doing nothing wrong

Shadows follow
So close behind me
I look in the mirror
I don't like what I see

Oh God, can't you help me
Get out of here?
(Here, here)

I feel like I'm living
Deep in hell

I'm minding my own business
I ain't doing nothing wrong
I ain't doing nothing wrong
I'm minding my own business
I ain't doing nothing wrong

(Black)

I'm minding my own business
I ain't doing nothing wrong
I ain't doing nothing wrong
I'm minding my own business
I ain't doing nothing wrong

I'm minding, I'm minding my own
I ain't doing nothing wrong
I ain't doing nothing wrong, nothing wrong
