This is the last time I will talk to you
I feel like I'm in a blocked state of mind
Am I getting through?

I'm on a free fall

So hard
Hard for me to shine
Been so long

If you look real closely
You can see right through
The pain I created
I'm putting us through

I'm on a free fall

So hard
Hard for me to shine
Been so long

To find
Try and find myself
Hardest thing I've ever done

So hard
Hard for me to shine
So hard
Hard for me to shine
Been so long

To find
Try and find myself

I'm on a free fall
On a free fall
