I'm ashamed of me
I look at what you've done for me
I didn't listen to what I heard
The voices swirling around me unscrewing me
You know I let u down
And that im on my own
And I have noone left to help me and keep me hangin
on
Hangin on

Witherin' away all the time just waiting
For a sign to convince me I ever had a life
Sat here on the corner of the steps for too long,
I realized that I let my life pass before my eyes

I'd never let you know
You ever let me go
Im left to fend for myself and keep my mind straight
So I can move on
I know u let me down
Im used to strugglin'
You should know that you'll always have me, you'll
never be alone.
You're not alone."

(screams by john)
WHY CANT YOU LISTEN TO ME!

Morgan: You walk away I'm.

Witherin' away all the time just waiting
For a sign to convince me I ever had a life
Sat here on the corner of the steps for too long,
I realized that I let my life pass before my eyes

Sittin here lookin at the time just waiting
For a sign to convince me you ever had a life
Sat here on the corner of the steps for too long,
You realized that u let your life pass before your eyes

Hangin on
Give me an answer

Its been so long
Now that we're alone
Convince me otherwise
That we ever had a life

So I can believe
That time is on our side

Now we're turnin around lookin at the time, just waiting
For a sign to convince us we ever had a life
Sat here on the corner of the steps for too long,
We realized that we let our lives pass before our eyes

Witherin away all the time just waiting
Now we're turnin around lookin at the time, just waiting

Sat here on the corner of the steps too long (too long)
And we let our lives pass before our eyes
