1st verse

I can go way back
In my mind
This music thing
Was a joke
I didn't do my time
They couldn't finally
Pick me up
Now I'm doing real tough
I'm rough

Come on Ya'll
I'm the terminator, fall
Hurry up ya'll
It's time to go on.

I love to hate'em
Peace

Chorus

I'm a terminator
Determined
To end your life
I'm a terminator
Determined
To end your life.

I'm a terminator
I'm a terminator
Determined
To end your life

2nd verse

Can I ever have
Good luck?
Everything so
Fucked up

I gotta keep going on.

I will survive,
I'm strong
Longtime coming
Somebody catch
My train

It's too late,
It's driving me insane

Everybody's going
Somewhere else.
This is my story
Peace, Peace

(repeat chorus twice)

I'm a terminator
Determined
To end your life
(Repeat)

Chorus

I'm a terminator
Determined
To end your life

I'm a terminator, determined
To end your life
