(feat. Chris Daughtry)

Beneath the water
that's falling from my eyes
lays a soul I've left behind
the edge of sorrow was reached but now I'm fine
I've filled the hole I had inside

I'll pray it doesn't scream my name
so I light a flame and let it breathe
the air that kills the shame

I'm up
I'm down
like a rollercoaster racing through my life
I've erased the past again

a risky morning
I feel like I'm alive
I can't believe I've made it through this time
the edge of sorrow I lived in for some time
(lived in for some time)

has left the hole I have inside

The burden is I try my hate
was the last thing I ever felt
or thought I could escape

I'm up
I'm down
like a rollercoaster racing through my life
I've erased the past again
[x2]

You let me in then broke me down
the difference is this time around
I will not let you see me try

I'm up
I'm down
like a rollercoaster racing through my life

I've erased the past again
[x2]

Erased the past again now
Erased the past again

Beneath the water
that has fallen from my eyes
