Welcome to a world
Of eternal shame
Where everything you do is judged by a stupid
(f***-up)
and you're expecting a reason why
But get in line punk
(Cause I've been waiting too)

How long
does it take to get an answer
to fucking questions
I always wanted
To let you know
I don't give a shit
(Why don't you suck this...)

Mouth runnin like a coke nose
Whose dick did you have to suck
to get the manual for (this world)
and now i start to see you got that look again
And i know you like solving problems
(so riddle me this you dumb fuck)
How many licks
does it take
to get to the center
of this tootsie cock
I got a number for ya
(Two, three, crick)

How long
does it take to get an answer
to fucking questions
I always wanted
To let you know
I don't give a shit
(Lick around the rim bitch)
How long
does it take to get an answer
to fucking questions
I always wanted
To let you know
I don't give a shit

(You suck a real good dick)
(two, three, tock)

How long
does it take to get an answer
to fucking questions
I always wanted
To let you know
I don't give a shit
(That your fucking box stinks)
How long
does it take to get an answer
to fucking questions
I always wanted
To let you know
I don't give a shit
Suck this dick
