Feel it inside  
I need someone to bide my time  
I look around  
This world seems to bring me down

Talk to me, too close to me, to talk to me, not to me  
So close to hate, what you wanna hate? Not to hate?  
So close to hate, what you wanna hate? Not to hate?  
Save, save, save

Bide my time  
This path that I walk is leading me blind  
I walk over and ask  
Ask the question, will I ever last

Talk to me, too close to me, to talk to me, not to me  
So close to hate, what you wanna hate? Not to hate?  
So close to hate, what you wanna hate? Not to hate?  
Save, save, save

And now I feel it in my head, again  
And now I feel it in my head, again  
(Hey)  
I'm still stuck inside  
I'm still stuck inside

And now I feel it in my head again  
And now I feel it in my head again  
And now I feel it in my head again

And now I feel it in my head again  
And now I feel it in my head again  
And now I feel it in my head again

I'm still stuck inside  
I'm still stuck inside
