Confusion, perception.
Rage inside of me.
Or will it ever; or can it ever; or will it ever take me?
I'd rather kill myself, than put you through the pain
again
I'd rather kill myself, than put you through the pain.
[repeat]
Passion; Find direction.
Hate inside of me.
Or will it ever; or can it ever; or will it ever take me?
I'd rather kill myself, than put you through the pain
again
I'd rather kill myself, than put you through the pain.
[repeat]
I'd rather kill myself. *[repeat]*
I'd rather kill myself, than put you through the pain
again.
I'd rather kill myself, than put you through the pain.
[repeat]
