Cupid, draw back your bow
And let your arrow go
Straight to my lover's heart for me
For me for me
Cupid, please hear my cry
And let your arrow fly
Straight to my lover's heart for me

All of my days
For all of my nights
I want you baby boy
Come love me right
You are amazing
I can't stop dazing into your eyes
Uh babe you make me feel so high
I tingle in my chest everytime you're nearby
Boy can I trust you
Just want to love you
All of my days
So ...

Cupid, draw back your bow
And let your arrow go (let it go)
Straight to my lover's heart for me
For me (for me now)
Cupid, please hear my cry
And let your arrow fly (let it fly)
Straight to my lover's heart for me

So here right now, so open and true
My heart is my gift boy
I give it to you
Keep it safe in your heart
Take me in your arms
And hold me tight
For the rest of my life

Cupid I'm calling on you (I'm calling on you)
So hear my beloved I love him I do
Boy you can trust me
Want you to love me

For all of my days baby baby

Cupid, draw back your bow (draw it back now)
And let your arrow go (do you hear me)
Straight to my lover's heart for me (for me)
For me
Cupid, please hear my cry
And let your arrow fly
Straight to my lover's heart for me

Love me love me
Please tell me that you love me
Don't leave me leave me
Can you hear it boy
Need your attention
All of your affection
I'm callin' you yeah

Love me love me
Please tell me that you love me
Don't leave me leave me
Can you hear it boy
Need your attention
All of your affection
I'm callin' you yeah

[Fading]
Cupid, draw back your bow
And let your arrow go
Straight to my lover's heart for me
For me for me
