you bitch,
you know,
you make me sick,
you whore,
you know,
that i can't handle it

pre chorus
you helped me gain my confidence,
you helped me learn not to trust,
you helped me know there's nothing special,
about us so

chorus,
why don't you leave,
get out of my life,
i hate all your guts,
go get a new wife,
cuz your sick,
yeaaaaa your sick,
you don't do much,
go back to her,
I hated you then,
now i hate you more,
cuz your sick,
yeaaaaaa your sick

you can't be serious,
you think i'm that desperate?
you can't be serious,
you think you can master it?

pre chorus
you helped me gain my confidence,
you helped me learn not to trust,
you helped me know there's nothing special,
about us so

chorus,
why don't you leave,
get out of my life,

i hate all your guts,
go get a new wife,
cuz your sick,
yeaaaaa your sick,
you don't do much,
go back to her,
I hated you then,
now i hate you more,
cuz your sick,
yeaaaaaa your sick
yourrrrr sick
