S.O.S I'm sick of this I wanna know  
Wanna know what it is  
I've got my headphones on with  
Rock n roll there's only room  
For on of us  
And it's time to go  
All mine now baby  
Could be all mine now!

### CHORUS

Hit me then you let me know  
D, D Don stop baby  
Don't stop honey  
We'll be dancing to the stereo  
Oh, oh  
You're a drug I can't seem to get  
Enough

Think back, oh why don't you think back  
And it's been you oh you and  
It's got to change  
It took you so long but your  
Still the same  
With your white shoes and and you're  
Faded white dress  
And you do what you do  
And you do when you do  
All mine now baby  
Could be all mine now!

### CHORUS

Hit me then you let me know  
D, D don't stop baby don't  
Stop honey  
We'll be dancing to the stereo  
Oh, oh  
You're a drug I can't seem to get enough  
Standing tall looking pretty  
I think I'm better alone, better alone  
All this living is easy

I think I'm better alone

Would you walk away, if I  
Told you now  
Would you walk away, if I  
Told you now?  
And it's been too long  
All of this time  
It took me too long  
All of this  
It took me too long all  
Of this time  
To let go!

Hit me then you let me know  
D, D don't stop baby don't  
Stop honey  
We'll be dancing to the stereo  
Oh, oh  
You're a drug I can't seem to get enough  
Standing tall looking pretty  
I think I'm better alone, better alone  
All this living is easy  
I think I'm better alone x2
