I showed you everything but you couldn't see
I started screaming but you just didn't hear me speak
I tried to run but you walked on by
I told a joke and then you started to cry

She said I wanna see the world
So I bought her a map
I'll take you anywhere you want
But we might never come back

So come on, come on
You got me on my knees
We could be having fun
So get up and move on
Cause you're so hard to please
We should be having fun

Oohoohoo oohoohoo
With friends like these we should be having fun
Oohoohoo oohoohoo
With friends like these we should be having fun

We leave the house but you've got nothing to wear
I'm out the front but you're still trying to fix your hair
I've waited weeks for this one sunny day
We only got here, now you're praying for rain

I said let's go to Japan
But you don't eat Japanese
I'm trying so hard
But you're just so hard to please

So come on, come on
You got me on my knees
We could be having fun
So get up and move on
Cause you're so hard to please
We should be having fun

Oohoohoo oohoohoo
With friends like these we should be having fun
Oohoohoo oohoohoo

With friends like these we should be having fun
All I wanna do is have some fun
Before I die, let's have some fun

All I wanna do is have some fun
Before I die, let's have some fun

So come on, come on
You got me on my knees
We could be having fun
So get up and move on
Cause you're so hard to please
We should be having fun

Oohoohoo oohoohoo
With friends like these we should be having fun
Oohoohoo oohoohoo
With friends like these we should be having fun
