I slept through easter yesterday  
Right through christmas just the same  
The priest came up to me all up in arms  
He said, "devil boy what have you done?"

Hey devil boy  
We're going to blow your house in  
Hey devil boy  
What do you think of that?

For heaven's sake  
It's only been 2000 years  
And I can't wait any longer for you

The jesuits rolled in thier tanks to my front door  
While the capuchins held a love-in on my front porch  
The augustinians kept to themselves,  
Stuck their tongues out in a row  
They said, "devil boy, it's off to hell you go!"

Hey devil boy  
We're going to blow your house in  
Hey devil boy  
What do you think of that?

For heaven's sake  
It's only been 2000 years  
And I can't wait any longer for you

So I'll sit and pray for her to call me there  
And I'll burn that bridge a 1000 times, on the cross I  
bear  
Just to wonder if you're listening from a soap box in the  
sky  
To finally realize my price, was it you or I?

Hey devil boy  
We're going to blow your house in  
Hey devil boy  
What do you think of that?

For heaven's sake

It's only been 2000 years  
And I can't wait any longer for you  
For heaven's sake  
I'd give away eternity  
If you would come back to me, if you would come back  
to me  
If you would come back to me, if you would come back  
to me
