Do you think that people get tired of themselves?  
Is that why the T.V.? on all the time?  
It don? take much to get it right back on track,  
but it won? fall from the sky right into your lap.

I?e made the most of Luck.  
You get a brand new chance  
in a brand new town.  
And if I don? read what they wrote about me,  
I might turn you on to something I?e found:

Silence. Priceless. Silence.  
The only way we talk.

What if people get everything they expect?  
What becomes of hope?  
I
