Somebody hold me, hold me down
So I don't slip tonight.
Punch the clocks out
Punch the wall still
Something's wrong with me.

Without you feels like the end of the world.
Without you feels like the end of the world.

What if somebody had told me, I'd be this unhappy
What if somebody had told me, I'd be this alone
What if somebody had told me, the world mean nothin'
I wish somebody had told me before you were gone,
gone, gone.
Gooooone.

Somebody told me this little lie
Can't keep me from myself.
I destroyed what I built
I thought I was smarter than that.

Without you feels like the end of the world.
Without you feels like the end of the world.

What if somebody had told me, I'd be this unhappy?
What if somebody had told me, I'd be this alone?
What if somebody had told me, the world mean
nothin'?
I wish somebody had told me before you were gone,
gone, gone.
Gooooone.
Gone, gone, gone.
Gooooone.

Without you feels like the end of the world.
Without you feels just like the end of the world.

What if somebody had told me, I'd be this unhappy?
What if somebody had told me, I'd be this alone?
What if somebody had told me, the world mean
nothin'?
I wish somebody had told me before you were gone,

gone, gone.
Goooooone.
Gone, gone, gone.
Gone, gone, gone.
