This is for my fans
(Uhu, uhu)
This is for my destiny
(Uhu, uhu)

This is for my fans
(Uhu, uhu)
This is for my future love
(Uhu, uhu)

This is for my best friend
(Uhu, uhu)
This is for my future children
(Uhu, uhu)

This is for my mother
This is for the mother future

You were my best friend and I love you
You were always there to love me
When I didn't even love myself
You bring out the best in me

And I thank you
Thank you for my life
Thanks for your advise, your wisdom
And your strength

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

You are my messenger from heaven
No matter how unhappy I become
You always try a way to make me smile

And I admire you

For you're pure heart
You always giving all of you
To everyone around you
And I pray we never part of

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

And if you wasn't for you
And if I didn't know you
And if you never reached me
And if you didn't teach me

I wouldn't be, who I am right now
I wouldn't give, what I give right now
I wouldn't think, what I think right now
I'm thanking you, I'm thanking you

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally

My earth angel
Thank you work so grateful
For trusting me and loving me
You love unconditionally
