All the ladies if you feel me, help me sing it out...

I can't believe I believed everything we had would last
So young and naive, of me, to think she was from your
past
Silly of me, to dream, of one day having your kids
Love is so blind, it feels right, when it's wrong...

I can't believe I fell for your schemes, I'm smarter than
that
So dumb and naive to believe that with me you're a
changed man
Foolish of me to compete when you cheat with loose
women
It took me some time, but now I moved on... because I
realized I got

Me, myself and I, that's all I got in the end... that's what
I found out
And it ain't no need to cry, I took a vow that from now
on I'm gon' be my own best friend
Me, myself and I, that's all I got in the end... that's what
I found out
And it ain't no need to cry, I took a vow that from now
on I'm gon' be my own best friend

So controlling, you say that you love me but you don't
Your family told me, one day, I would see it on my own
Next thing I know I'm dealing with the three kids in my
home
Love is so blind, it feels right, when it's wrong...

Now that it's over, stop calling me, come pick up your
clothes
Ain't no need to front like you're still with me, all your
homies know...
Even your very best friend tried to warn me on the low
It took me some time, but now, I am strong... because I
realized I got

Me, myself and I, that's all I got in the end... that's what

I found out
And it ain't no need to cry, I took a vow that from now
on I'm gon' be my own best friend
Me, myself and I, that's all I got in the end... that's what
I found out
And it ain't no need to cry, I took a vow that from now
on I'm gon' be my own best friend

(I got me, myself and I...) I know that I will never
disappoint myself...
(I must have cried a thousand times...) All the ladies, if
you feel me, help me sing it out...
(I can't regret times spent with you...) Yeah, you hurt
me, but I learned a lot along the way...
(Still, I'm about to make it through...) After all the rain,
you'll see the sun come out again!
(Now I got me, myself and I...) Hey! I know that I will
never disappoint myself...
(I must have cried a thousand times...) I've cried... All
the ladies, if you feel me, help me sing it out...
(I can't regret times spent with you...) Yeah! Yeah, you
hurt me, but I learned a lot along the way...
(Still, I'm about to make it through...) After all the rain,
you'll see the sun come out again... yeah!

(Oh, oh!) x8
(Woah, woah!) x8

(I got me, myself and I...) Me, myself and I...
(I must have cried a thousand times...) I have cried so
many times...
(I can't regret times spent with you...) I can't regret
times spent with you...
(Now, I'm about to make it through...) After all the rain,
you'll see the sun come out again! (Oh!)
(Now, I got me, myself and I...) I know that I would
never disappoint myself...
(I must have cried a thousand times...) If you've cried a
thousand times, ladies you will survive!
(I can't regret times spent with you...) Yeah! You hurt
me, but I learned a lot along the way...
(Still, I'm about to make it through...) I can see the sun
shine, I got me, myself, and I...
