Chores:

Who run the world? Girls (x4)
Who run this mother? Girls (x4)
Who run the world? Girls (x4)

Verse 1:

Some of them men
Think they freak this like we do
But no they don't.

Make your cheque come at they neck.

Disrespect us, no they won't.
Boy, don't even try to touch me.
Boy, this beat is crazy!
This is how they made me.
Houston, Texas baby.
This goes out to all my girls
That's in the club rocking the latest.

Who would buy it for themselves and get more money
later.

I think I need a barber(barber).

None of these b***** can fade me (fade me).

I'm so good with this

I remind you I'm so hood with this.

Boy I'm just playing.
Come here baby.

Hope you still like me

F you pay me.

My persuasion can build a nation.
Endless power our love we can devour.
You'll do anything for me.

It's hot up in here DJ
Don't be scared to run this run this back.

I'm repping for the girls that's
Taking over the world
Help me raise a glass for the college grads.
Forty-one roll and to let you know what time it is,
cheque!
You can't hold me!
I work my nine to five, better cut my check!
This goes out to all the women
Getting it in you on your grind.

To other men that respect
What I do please accept my shine.

Boy you know you love it
How we smart enough to make these millions.

Strong enough to bear the children
Then get back to bidness.

See, you better not play me
Oh come here baby.

Hope you still like me
