Wait just a moment please
I've got something to say
While forming lines connecting dots
With every touch of your finger-tips
Take all that can from every word in this song
And live life every day thinking that it will be your last

Ready or not, here I come
I'm waiting at the skyline hoping that it never changes
so
3, 2, 1, come out, come out
3, 2, 1, wherever you are

Ready or not, here I come
I'm waiting at the skyline hoping that it never changes
so
3, 2, 1, come out, come out
3, 2, 1, wherever you are

Just stop right there, there's something that you need
to know
(When you find yourself, when you find yourself)
I always knew that you could never stand the truth
(You've got to let this go, got to let this go)
You stop right there, keep quiet and lay down your
pride
(And remind yourself, just remind yourself)
That you're nothing on your own so take a step back
and hide

Ready or not, here I come
I'm waiting at the skyline hoping that it never changes
so
3, 2, 1, come on, come on
3, 2, 1, wherever you are
(Wherever you are)

Ready or not, here I come
I'm waiting at the skyline hoping that it never changes
so
3, 2, 1, come out, come out

3, 2, 1, wherever you are

Ready or not, here I come

I'm waiting at the skyline hoping that it never changes

so

3, 2, 1, come out, come out

3, 2, 1, wherever you are
