Title : fucked up

[verse 1]

Everybody is fucked up!
Everything sucks!
I don't wanna wake up!
'Cause I'm no more then a fuck up!

Don't wanna think about tomorrow,
another day filled with sorrows.
In a world full of terror,
a mind filled with horror.

I just wanna trash something!
I want you to feel the pain!
Wanna turn into a maniac!
Soon im going insane!

I feel no better than shit!
Will anyone ever give me a healthkit?
Just wanna break something!
So you better leave me alone!

[refrain]

(Stay in school, boys!)
Shut the fuck up!
(What?!)
Shut the fuck up!
(Louder?!)
Shut the fuck up!
(Again?!)
Shut the fuck up!
(Together?!)

Shut the fuck up!
Yeah!

[verse 2]

I have a thirst of blood today!
You can feel it from the start!
I wanna rip something apart!
Why the hell do i stay?!

Don't look at me like that!
I'll turn your head flat!
I feel the thirst of blood!
Now you better go hide!

I've been treated like shit!
Can't take it no more!
Gotta get it out somehow!
Fuck you is how!

I've been kicked lying down,
spat on while on the ground.
But I'm fed up by now!
I'll fucking eat you alive!

[refrain]

(Stay in school, boys!)
Shut the fuck up!
(What?!)
Shut the fuck up!
(Louder?!)
Shut the fuck up!
(Again?!)
Shut the fuck up!
(Together?!)
Shut the fuck up!
Yeah!

[verse 3]

I could kill without a sound,
leave you lying on the ground.
It would be like making love,
sent from heaven above.

I can slash your throat,
cut you up with my saw.
I would watch you scream,
done it before in my dreams.

I stumble up to you and say,
get the hell outa my way!
This is just not my kinda day,
if you wanna live, stay away!

The blood pumping so hard!
I'm not thinking at all!
You better not start talking bullshit!
'Cause today i'll make you quit!
