I never ever felt like this before

If you believe in a future
When we're together,
I won't let you down.
(Won't let you down)
If you want to stay close
I'll never let you down.

Cause we are ready to make it (uuuuh)
Oh forever, that's for sure

'Cause you are my angel you saved me from danger.
With you I'm no stranger I won't suffer any more
'Cause you are my angel you saved me from danger.
With you I'm no stranger I won't suffer any more

If you're ready to move on
Let life give you energy
You keep me safe from darkness
And you show me how to be a better man (Better man)

Cause we are ready to make it (ahhhh)
Oh forever that's for sure.

'Cause you are my angel you saved me from danger.
With you I'm no stranger I won't suffer any more
'Cause you are my angel you saved me from danger.
With you I'm no stranger I won't suffer any more

'Cause you are my angel I'm sure
I never ever felt like this before
'Cause you are my angel I'm sure
I never ever felt like this before
'Before .. I'm sure

'Cause you are my angel you saved me from danger
With you I'm no stranger I won't suffer any more
'Cause you are my angel you saved me from danger
With you I'm no stranger I won't suffer any more
