In the shadow of our dreams, I'm on my own.
I'm so confused.
I need to find home.
You know it takes two, to carry this through.
It's the moment of truth.
The moment of truth.

Woke up this morning, searching for you.
Thoughts are spinning in my head.
I can't make it on my own.
You know, if I could, then I would.

When I'm all alone, waiting for you to come,
I feel invisible and am I losing grip?
Gonna keep my head up, stay cool, nothing compares
to you.

chorus:

In the shadow of our dreams, I'm on my own. I'm so
confused.
I need to find home.
You know it takes two, to carry this through.
It's the moment of truth.
The moment of truth.

When everyone else walks out the door, you're the one
who walks in.
That's the only way to treat a friend.
No wonder why, I hope you have.

When I'm all alone, waiting for you to come,
I feel invisible and am I losing grip?
Gonna keep my head up, stay cool, nothing compares
to you.

chorus:

In the shadow of our dreams, I'm on my own. I'm so
confused.
I need to find home.
You know it takes two, to carry this through.
It's the moment of truth.

The moment of truth.

Somedays I wonder, if you know the real me?
I know its crazy, because the answer is always the
same, the same.

chorus:

In the shadow of our dreams, I'm on my own. I'm so
confused.

I need to find home.

You know it takes two, to carry this through.

It's the moment of truth.

The moment of truth.
