The moon is full, the air is cold, this bed is soft, I'm so alone.

The words we spoke, the hearts we broke,
the wounds we made are still bleeding... I'm still
bleeding
(bleeding).... I'm still bleeding!

Controlling, manipulating, and lying to my face
Controlling, manipulating, but I Still Love You

This ceiling's dark, my feelings stark,
my nerves are all still red and raw.
My mind is seething, I'm hardly breathing
I pray for sleep that will not come.....
Cause I can't breathe!

Controlling, manipulating, and lying to my face
Controlling, manipulating, but I Still Love You!

(I can't see.... I can't feel.... I can't taste....)
And I can't breathe!

Controlling, manipulating, and lying to my face
Controlling, manipulating, and I'll never love again
Controlling, manipulating, and lying to my face
Controlling, manipulating, but I Still Love You!
