I know you're sad girl
behind all of that laughing
and you know i know your tactics
they don't make me feel to sure about
all that's happening

how has our relationship come to this?
that's what's sad
the feelings we had are never coming back again
but you think we'll be forever?

Do I look that dumb to you?!
don't answer that one honestly
i've proved my point but it ends up monotony
cause i'm so bored and you're so tired

i seen the way you were acting
you threw a fit in front of them
and when you get back in the car
your smilin like my bestfriend

well darlin one things right
and one things wrong
is this the way we get along?
well i don't know but we tend to do this often..

Do I look that dumb to you?!
don't answer that one honestly
i've proved my point but it ends up monotony
cause i'm so bored and you're so tired

My eyes don't lie
But your mouth does
it's not in the pages
and it never was..

Do I look that dumb to you?!
don't answer that one honestly
i've proved my point but it ends up monotony
cause i'm so bored and you're so tired
