I put love in the young boy's eyes
Some were running out of the future
That Kind of feeling's so hard to define
Embracing poverty and corruption
Just to mask to clean up the...
We're sitting in the manor tonight
The web of conquest lay all around
Witnesses - children by moon bright

We were witnesses
We were witnesses
Watching on

There's talk of life
Promises written in laughter
Just like a man who decides to be cursed
Driving on a course of correction
He lights a spark so light up the torch
Once stranded by the hands of discretion
His step was drawn by the fire within
Kept burning by his faith in redemption

We were witnesses
We were witnesses
Watching on

He lights a spark so light up your torch
Now carried by this form of expression
Our step was drawn by the fire within
Kept burning by our faith in completion

We were witnesses
We were witnesses
Watching on

And on and on
And on and on
We're watching on
