I double down, money come money go
I better make a tent and hit for 20 more
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

I'm in the club wasted, and my chick blows
She says she got a friend that wanna fuck us both
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

I'm on a roll you can count in lucky 7
7 inch in ribbon, sipWing Remy I'm in heaven
I'm on a row, I'm on a streak
Balling only suckers clowning, ripping from my street
Major shit in a major click
Attention fuck boys yeah I know that made you sick
I bet the house on myself and hear the major leak
And if I'm fuckin' with her I know that she a major chick
I went from being broke, living just surviving daily
To taking money like them dealers out in Vegas
So show them fake titties like we out in Vegas
Look up all the cases haters say I'm out of rages

I double down, money come money go
I better make a tent and hit for 20 more
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

I'm in th club waisted, and my chick blows
She says she got a friend that wanna fuck us both
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

You loonie bags my phone bill
Cause I'm world wide you at home still
Yo ho-fro she owns you
You got the clubs dropping like they opium
You own stacks I own billions
Fuck that we close deals
Balling just like Zuckerberg Mark Bitch, fuck the world
Spend so much gotta sign a waiver

We keep playing on top of Vegas
I'm an innovator, I'm a renovator
A nigga like me like I could rent a hater
Never sweep my kitchen and keep my pots in order
Bottom girl there to chose 'em
Trying to let a nigga know she got the suction of a
woofer
The jaws of a norta
Implicit fact that the mouth sided as boiler
Two girls be watching, I call them by focus
I'm on a roll with a daughter, niggas Wlaying poker

I double down, money come money go
I better make a tent and hit for 20 more
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

I'm in th club waisted, and my chick blows
She says she got a friend that wanna fuck us both
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

I'm on a roll, looks like I can't lose
So many women choosing, man I swear I can't chose
I'm goin' up and drink, I really can't move
Breaking all the tags, who are you I just can't chose
I'm really gone, I'm really get
She really wanna take me home and get that D
I'm all in tryin' to get it for the half night
Get back this poker and I'm bound to get the jackpot
My hand will never fold
Bluffing niggas get exposed
And while they talking I'm in places they would never
go
Look up all the cases haters say I'm out of rages
Trade wep, like you niggas know what I'm sayin'

I double down, money come money go
I better make a tent and hit for 20 more
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll

I'm in th club waisted, and my chick blows
She says she got a friend that wanna fuck us both
I'm on a roll, I'm on a roll
Your boy can't lose man, I'm on a roll
