There's not sweeter Name I know, there's no
Other fount that flows
There's no shadow of turning and I am yearning
Where can I go but into You?
There's none like you, Jesus
Everything You are is so beautiful
Everything You are is so wonderful
Everything I am wants to be like You Jesus

There's no greater love I know
Than the love You've shown
There's no shadow of turning and I am yearning
Where can I go but into You?
There's none like You, Jesus
Everything You are is so beautiful
Everything You are is so wonderful
Everything I am wants to be like You Jesus
