Won't give up  
Won't give in  
Open your mouth  
Let it begin  
Tear me down  
Spit in my face  
My reply  
I give nothing but grace  
Chorus:  
I won't bow down  
I won't give in  
To your demands  
I won't give in  
Until I die I'll Fight Conformity  
Scream at me  
Tell me I'm wrong  
It's plain to see  
My conviction is strong  
I won't bow down  
To your twisted ways  
You can't judge me  
It's not your place  
Chorus:  
I won't bow down  
I won't give in  
To your demands  
I won't give in  
Abuse of power  
People cower  
Man made rules  
Don't mean a thing to me
