Dark and dreary  
Is how I see  
Keep coming up short  
No confidence in me  
Negativity  
Keeps choking me  
It's getting hard to Breath  
Pre-Chorus:  
If your mind's depression  
You are destruction's tool  
Negatives rise to the surface  
But dwelling digs your tomb  
A pessimistic look  
Toward Society  
There's no good news  
To comfort me  
I need  
Something  
To rise in Me  
Pre-Chorus:  
If your mind's depression  
You are destruction's tool  
Negatives rise to the surface  
But dwelling digs your tomb  
Chorus:  
I won't run or retreat  
Hope Arises  
I won't fall in defeat  
Hope Arises  
My eyes are open  
Now I see  
Better days  
Lye before me  
I've found Hope  
Rising within Me  
Pre-Chorus:  
If your mind's depression  
You are destruction's tool  
Negatives rise to the surface  
But dwelling digs your tomb  
Chorus:

I won't run or retreat  
Hope Arises  
I won't fall in defeat  
Hope Arises
