Come gather at the cauldron  
Of human Intellect  
Come see the abomination that  
We erect  
Blinded eyes  
We call intellectual  
Try and celebrate our  
Most sinful  
Chorus:  
Worlds crack and fall apart  
As we invent another way  
Insanity is the rule of law  
As our world falls  
I have the answers  
To your human plight  
I'll be your savior  
Pray to me tonight  
No higher power  
Than those who you elect  
I'll be the abomination  
That we erect  
Chorus:  
Worlds crack and fall apart  
As we invent another way  
Insanity is the rule of law  
As our world falls  
Selling out our roots  
For a new flavor  
Blood is shed  
A sweet savor  
Endless destruction  
We love to perpetrate  
Obsessed with our own greatness  
We laugh and salivate
