Like an addict on drugs, your life is hooked on sin.
Evil's at your door, It's saying let me in.
I'll give what you want. I've got what you need.
You better beware, because pleasure's a thief.
Plenty of time, plenty of space.
All I see is pleasure, clouding my face.
Chorus:
Corrupt, You're never sure who you can trust
Unjust, Whenever you give in to lust
Corrupt, Now your begins to rust
Unjust, Whenever sins a must.
There's not a lot of difference, between the sinner and
saint.
It all comes down to, where it is he puts his faith.
Don't be among, those who are seduced.
Though she looks good, She's still a prostitute.
Plenty of time, plenty of space.
All I see is pleasure, clouding my face.
Chorus:
Corrupt, You're never sure who you can trust
Unjust, Whenever you give in to lust
Corrupt, Now your begins to rust
Unjust, Whenever sins a must.
Flesh controls the situation, you make your decision
Flesh breeds corruption, let's defeat life's seduction
Don't fight, there's one way
Don't fight, you can live today
