The virus you spread leaves behind nothing but dead
You spew vomit and bile to spiritual juveniles

Pre-Chorus:

Name it and claim it, blab it and grab it
With your wrong intentions you'll never have it
You false teacher, You corrupt preacher
You prostitute, you deceiver
Man is who I please when I follow his decrees

Chorus:

Religion the disease, follow man's decrees
Follow till you die, In Hell you'll wonder why
Your tumors spread from cell to cell, damning innocent
souls to hell
Show up in a suit and tie, continue, continue to live the
lie

Pre-Chorus:

Name it and claim it, blab it and grab it
With your wrong intentions you'll never have it
You false teacher, You corrupt preacher
You prostitute, you deceiver
Man is who I please when I follow his decrees

Chorus:

Religion the disease, follow man's decrees
Follow till you die, In Hell you'll wonder why

Breakdown:

Love so great, perverted by man
Preaching borderline hate, death comes hand in hand
Holiness and prosperity messages, things pushing
man away
Increase your percentages, preach love today

Chorus:

Religion the disease, follow man's decrees
Follow till you die, In Hell you'll wonder why
