When you're around I feel so complete, without you it's  
not so

Sometimes I act very discrete, like you're a person I  
don't know

I'm sorry

Chorus:

Want to love you, but I don't know how

Want to see you, cause I feel you around

Want to touch you, but you're not here

I am overwhelmed

My love for you must give you stress, a hurt like skin  
piercing

My bad habits, they tear your flesh, your name is what  
I'm smearing

I'm sorry

Chorus:

Want to love you, but I don't know how

Want to see you, cause I feel you around

Want to touch you, but you're not here

I am overwhelmed

Overwhelmed is my heart, Overwhelmed is my mind

Overwhelmed is my life, Overwhelmed am I

Chorus:

Want to love you, but I don't know how

Want to see you, cause I feel you around

Want to touch you, but you're not here

I am overwhelmed
