What is the difference between me and you?
Why am I having this dance and why aren't you?
When did you make up your mind?
Was your final your first try?

Do you remember collecting ladybugs?
Do you remember taking your bike for a ride?
I picture you on your skateboard
Is it because I've got it taped on video?

We don't hold your suicide against you
Here's a toast and fireworks coming towards you
We don't hold your suicide against you
Here's a toast and fireworks
Coming towards you

Twenty eight 2008
You wanted to rest so badly you couldn't wait
Now you'll be dead for millions of years
We'll come join
In a couple of cheers

Do you remember collecting ladybugs?
Do you remember taking your bike for a ride?
I picture you on your skateboard
Is it because I've got it taped on video?

We don't hold your suicide against you
Here's a toast and fireworks coming towards you
We don't hold your suicide against you
Here's a toast and fireworks
Happy New Year!
