This pain

in my stomach

wont go away.

I assume

this is punishment

from all

the mistakes ive made.

In a world where my actions

speak louder than words.

In a world where my actions

speak louder than words

I know more people than ever before.

One lesson ive learned from it all.

Fortune and fame are dissted as your friend

cuz im lonlier now than ive ever been.

cuz this pain in my stomach

won't go away

i assume this is punishment

for the mistakes i have made

in a world where my actions

speak louder than words

in a world where my actions

speak louder than words

I know more people than ever before.

one lesson ive learned from it all.

Fortune and fame are dissted as your friend

cuz im lonlier now than ive ever been
