its just one of those days  
when ya dont wanna get up  
everything is fucked  
eveybody sucks  
and u dont really know why  
but u wanna justify  
ripping someones head off  
no human contact  
and if u interact  
your lifes ur own contract  
ur best bet's just to stay away muthafucka  
its just one of those days  
\*its all about the he said she said bullshit  
i think u better quit that shit, slip, or u'll be leaving with  
a fat lip  
its all about the he said she siad bullshit  
i think u better quit talking that shit  
so come and get it\*  
its just one of those days  
feeling like a freight train  
first one to complain

leaves with the bloodstain

damn right i'm a maniac

better watch ur back

cos im fucking up the system

yall kno ur justfucked up

and dont wanna get fucked up

ur best bets just to stay away muthafucka

its just one of those days

\*its all about the he said she said bullshit

i think u better quit that shit, slip, or u'll be leaving with  
a fat lip

its all about the he said she siad bullshit

i think u better quit talking that shit

so come and get it\*

i fell like shit

my suggestion

is to keep ur distance

cos right now im dangerous

weve all felt like shit

been treated like shit

all those muthafuckas

better step up

u kno i pack a chainsaw

skin ur ass raw

and if my day keeps going this way i just might break  
something tonite

u kno i pack a chainsaw

skin ur ass raw

and if my day keeps going this way i just might break  
something tonite

\*its all about the he said she said bullshit

i think u better quit that shit, slip, or u'll be leaving with  
a fat lip

its all about the he said she siad bullshit

i think u better quit talking that shit

so come and get it\*
