feat. Aaron Lewis from Staind

Gimme some guitars punk

Sweet Leth

Limp Bizkit in the house

What fucken' house?

Seattle baby

Terry Date, Limp Bizkit, Staind

Bring the noise

Bass! how low can you go?

Death row what a brother knows

Once again, back is the incredible

The rhyme animal

The incredible D. Public Enemy number one

Five-o said "freeze!" and I got numb

Can I tell 'em that I never really had a gun?

But it's the wax that the Terminator X spun

Now they got me in a cell 'cuz my records they sell

'Cuz a brother like me said "well?"

Farrakhan's a racist and I think you outta listen to

What he can say to you what you gotta do

Follow for now power of the people say.

"Make a miracle, D. pump the lyrical"

United we stand, all in all, we're gonna win.

Check it out, yeah y'all, here we go again

Turn it up, bring the noise!

I said turn it up!

Never badder than bad 'cuz the brother is madder than
mad

At the fact that's corrupt as a senator

Soul on a roll, but you treat it like soap on a rope

'Cuz the beats in the lines are so dope

Listen for lessons I'm saying

Inside music that the critics are blasting me

For they'll never care for the brother and sisters

Now across the country has us up for the war.

We got to demonstrate, come on

They're gonna have to wait 'till we get it right

Radio stations I question their blackness

They call themselves black. but we'll see if they'll play
this

Turn it up, bring the noise!

I said turn it up!

Get from in front of me, the crowd runs to me

My DJ is Lethal dose, we call him Leth you know

He can cut a record from side to side

So what, the ride the glide should be much safer than a
suicide

Soul control, beat is the father or our rock' n' roll

Music for whatcha, for whichin' you call a band man
Makin' a music abuse it but you can't do it, ya know
You call 'em demos but we ride limos, too
Whatcha gonna do? Rap is not afraid of you
Beat is for Sonny Bono, beat is for Yoko Ono
Run DMC first said a DJ could be a band
Stand on it's feet get you out your seat
Beat is for Eric B. and LB as well, hell
Records from Fred D still we can rock bells
Ever for ever, Universal it will sell
Time for me to exit, Terminator X-it
Turn it up, bring the noise!
I said turn it up!
Bring that fucken' noise, and get the fuck up
Get the fuck up
Bring the noise
Bring it
Fuck this
Limp Bizkit
Fuck this
In the studio
Fucken Suck ass
Bring that noise
Man fuck this
Terry Date is a fucken pain

Everybody shut up and turn the fucken' tape off
