build a bridge to your mind

takes me there everytime

lay it all on the line

if there's a way

build a bridge, make a path

overlook the aftermath

make my tears be your bath

if there's a way

only if you'll take a ride

go with me to the other side

chorus

even though it's gonna crumble down

i'll keep building till you come around

even though it's gonna fall apart, break my
heart

i'll keep building 'till i die

build a bridge of memories

stretch it out overseas

to the end of the world

if there's a way

build a bridge made of pain

send my longing down the drain

have no reasons to complain

if there's a way

only if you'll take a ride

go with me to the other side

chorus

wait, wait for me, wait, please
wait for me (x2)

chorus (x2)
