If only we could fly...

Limp Bizkit style

Jo Nado

Take em' to the Mat Ruffage

Can you fill it?

A different generation

Get up

A different generation

Are you ready?

Do you know where you are?

Welcome to the jungle punk

Take a look around

Cos Limp Bizkit is fucking up the town

We're downloading the shockwave

For all the ladies in the cave to get your groove on

But maybe I don't wanna move over

But look who's next

But guess who's next

Generation X

Generation Strange

So don't even shine

though our window, thanks

So go ahead and look shit

Talk shit about me

So go ahead and talk shit

About my different generation

Cos we don't, don't give a fuck and

We won't ever give a fuck un

til you give a fuck about me

And my generation

Hey kid, take my advice

You don't wanna step into a big of shit

Captain Strong, you're on the Titanic

Talking on the phone

So get your groove on

And maybe I am just a little fucked up

Life is a little fucked up

Generation X

Generation Strange

Don't even shine through our window thanks

So go ahead and look shit

Talk shit about me

So go ahead and talk shit

About my different generation

Cos we don't, don't give a fuck and

We won't ever give a fuck un

til you give a fuck about me

And my generation

Who gets the blame?

Who gets the blame?

You get the blame

And I get the blame

Who gets the blame?

Who gets the blame?

You get the blame

And I get the blame

But do you think we can fly?

But do you think we can fly?

Do you think we can fly?

Well I do

Well I do...

Fuck!

DJ Leeso, bring it on

Ohhhhhh... yeah! come on!

So go ahead and look shit

Talk shit about me

So go ahead and talk shit

About my different generation

Cos we don't, don't give a fuck and

We won't ever give a fuck un

til you give a fuck about me

And my generation

Cos we don't, don't give a fuck and

We won't ever give a fuck un

til you give a fuck about me

And my generation

Oh yeah
