Check, check, check check... out my melody

Special...

You think you're special, you do

I can see it in your eyes

I can see it when you laugh at me

Look down on me

You walk around on me

Just one more fight about your leadership

And I will straight up

Leave your shit

Cause I've had enough of this

And now I'm pissed

Yeah ...

This time I'm 'a let it all come out

This time I'm 'a stand up and shout

I'm 'a do things my way

It's my way

My way, or the highway

This time I'm 'a let it all come out

This time I'm 'a stand up and shout

I'm 'a do things my way

It's my way

My way, or the highway

Check, check, check, check.. out my melody

Just one more fight about a lot of things

And I will give up everything

To be on my own again

Free again

Yeah...

This time I'm 'a let it all come out

This time I'm 'a stand up and shout

I'm 'a do things my way

It's my way

My way, or the highway

This time I'm 'a let it all come out

This time I'm 'a stand up and shout

I'm 'a do things my way

It's my way

My way, or the highway

Some day you'll see things my way

Cause you never know

Where, you never know

Where you're gonna go

Check, check, check, check... out my melody

Just one more fight and I'll be history

Yes I will straight up

Leave your shit

And you'll be the one who's left

Missing me

Yeah ...

This time I'm 'a let it all come out

This time I'm 'a stand up and shout

I'm 'a do things my way

It's my way

My way, or the highway

Some day you'll see things my way

Cause you never know

Where, you never know

Where you're gonna go

Check out, check check... out my melody
