No Sex

Went too fast

Way too soon

I feel disgusted and you should too

It's no good when all that's left is the sex

Sex has become all I know about you

Memories of those filthy things that we do

There is not one single thought that is left after sex
with you

Should've left my pants on this time

But instead you had to let me dive right in

Should've left my pants on this time

You let me dive right in

Wait... it's my ass

Your perfume

It makes temptation hard to refuse

So I guess we undressed

To have sex

Dirty sex

Sex has become all I know about you

Memories of those filthy things that we do

There is not one single thought that is left after sex
with you

Should've left my pants on this time

But instead you had to let me dive right in

Should've left my pants on this time

You let me dive right in

You couldn't respect yourself

I couldn't respect myself

I realize that I'm worth more than that

Realize I mean more than that

Should've left my pants on this time

But instead you had to let me dive right in

Should've left my pants on this time

You let me dive right in
