I came into the world as a reject

Look into these eyes

Then you'll see the size of the flames

That are pullin on my past

Burnin on my brain

Everyone that burns has to learn from the pain

Hey, I think about the day

My girlie went ran with my pay

When fellas came to play

Now she's stuck with my homies that she fucked

And I'm just a sucker with a lump in my throat

Like a chump, hey

Should I be feelin' bad?

Should I be feelin' good?

It's kinda sad I'm the laughing stock of the
neighborhood

And you would think that I'd be movin' on

But I'm a sucker like I said

Fucked up in the head, not!

And maybe she just made a mistake

And I should give her a break

But my heart will ache either way
Hey, what the hell, what you want me to say?
I won't lie, that I can't deny
I did it all for the nookie, c'mon
The nookie, c'mon
So you can take that cookie
And stick it up your.. yeah!
Stick it up your.. yeah!
Stick it up your.. yeah!
Stick it up your
Why did it take so long?
Why, did I wait so long, huh?
To figure it out, but I did it
And I'm the only one
Underneath the sun who didn't get it
I can't believe that I could be deceived
By my so-called girl, but in reality
She had a hidden agenda
She put my tender, heart in a blender
And still I surrender
Like a chump, hey
I did it all for the nookie, c'mon
The nookie, c'mon
So you can take that cookie
And stick it up your.. yeah!
Stick it up your.. yeah!

Stick it up your.. yeah!
Stick it up your
I'm only human
It's so easy for your friends to give you their advice
They'll tell you, just let it go
It's easier said than done
I appreciate it, I do, but
Just leave me alone
Leave me alone
Just leave me alone
And nothing gonna change
You can go away
I'm just gonna stay here
And always be the same
I did it all for the nookie, c'mon
The nookie, c'mon
So you can take that cookie
And stick it up your.. yeah!
Stick it up your.. yeah!
Stick it up your.. yeah!
Stick it up your
